

NOTICE OF EIA/WML & AEL PROCESS

Activity: Notice is hereby given that **Sustainable Heating 8 (Pty) Ltd (Sustainable Heating)** will be applying for a **Waste Management Licence** in terms of the National Environmental Management: Waste Act 2008 (NEM:WA) for the treatment of hazardous waste - NEM:WA Category B Activity 4 and NEM:WA Category B Activity 10. The proposed activities require that a **Scoping & Environmental Impact Assessment** process be undertaken and the relevant authority is the **Department of Forestry, Fisheries and the Environment - Waste Management**.

Sustainable Heating will also apply for an **Atmospheric Emissions Licence (AEL)** in terms of the National Environmental Management: Air Quality Act (Act No. 39 of 2004) in relation to air quality listed activities - Category 1, Sub-category 1.6: Waste Co-feeding Combustion Installations. The application for the AEL will be submitted to the **Department of Forestry, Fisheries and the Environment – Air Quality**.

Sustainable Heating owns and operates two biomass boilers on the Aspen Pharmaceuticals site in order to generate steam for Aspen's operations. Sustainable Heating proposes to co-feed pharmaceutical and clean medical / health care waste generated by Aspen Pharmaceuticals with the biomass mix. The Sustainable Heating Aspen Boiler will treat (thermal treatment / incineration) approximately 370 tons per month, of which about 80-90 tons would be classified as hazardous waste. This amounts to a monthly average of three (3) tons of hazardous waste per day.

Locality: Sustainable Heating Aspen Pharmacare Boiler is located at the Aspen Pharmacare Facility, 7 Fairclough Road, Korsten on Erf 3278 Mount Road, within Ward 7 of the Nelson Mandela Bay Municipality, Eastern Cape.

Environmental Consultant: CEN Integrated Environmental Management Unit –
Dr Mike Cohen / Lucille Behrens; Telephone: 082 320 3111 / Fax: 086 504 2549
E-mail: steenbok@aerosat.co.za / lucille@environmentcen.co.za

Interested & Affected Parties: Interested and Affected Parties are invited to participate in the process by registering and submitting detailed written comment on the proposed activities within 30 days of this notice (i.e. by **20 November 2026**) to the contact details above. A copy of the Background Information Document is available on CEN IEM Unit's website: www.environmentcen.co.za.

Date of notice: 20 October 2026

KENNISGEWING VAN OIE/WML & AEL PROSES

Aktiwiteit: Kennis word hiermee gegee dat **Sustainable Heating 8 Edms Bpk (Sustainable Heating)** aansoek sal doen om 'n **Afvalbestuurslisensie** ingevolge die Nasionale Omgewingsbestuur: Afvalwet, 2008 (NEM:WA) vir die behandeling van gevaarlike afval – NEM:WA-kategorie B-aktiwiteit 4 en NEM:WA-kategorie B-aktiwiteit 10. Die voorgestelde aktiwiteite vereis dat 'n proses vir **omvangbepaling en omgewingsimpakbeoordeling** onderneem word, en die betrokke owerheid is die **Departement van Bosbou, Visserie en die Omgewing – Afvalbestuur**.

Sustainable Heating sal ook aansoek doen om 'n **lisensie vir atmosferiese vrystellings (AEL)** ingevolge die Wet op Nasionale Omgewingsbestuur: Luggehalte, 2004 met betrekking tot gelyste aktiwiteite vir luggehalte – Kategorie 1, Subkategorie 1.6: Verbrandingsinstallasies vir die mede-voeding van afval. Die aansoek om die AEL sal by die **Departement van Bosbou, Visserie en die Omgewing – Luggehalte** ingedien word.

Sustainable Heating besit en bedryf twee biomassa-ketels by Aspen Pharmaceuticals se perseel om stoom vir Aspen se bedrywighede te genereer. Sustainable Heating stel voor om farmaseutiese en skoon mediese/gesondheidsorgafval wat deur Aspen Pharmaceuticals gegenereer word, saam met die biomassa-mengsel te verwerk. Die Sustainable Heating-ketel by Aspen sal ongeveer 370 ton per maand verwerk (deur middel van termiese behandeling of verbranding), waarvan sowat 80 tot 90 ton as gevaarlike afval geklassifiseer sal word. Dit kom neer op 'n maandelikse gemiddelde van drie (3) ton gevaarlike afval per dag.

Ligging: Die Aspen Pharmacare-ketel vir volhoubare verwarming is geleë by die Aspen Pharmacare-fasiliteit, 7 Fairclough Road, Korsten op Erf 3278 Mount Road, in Wyk 7 van die Nelson Mandelabaai-munisipaliteit, Oos-Kaap.

Omgewingskonsultant: CEN Integrated Environmental Management Unit –
Dr Mike Cohen / Lucille Behrens; Telefoon: 082 320 3111 / Faks: 086 504 2549
E-pos: steenbok@aerosat.co.za / lucille@environmentcen.co.za

Registrasie: Belangstellende en Geaffecteerde Persone word uitgenooi om deel te neem aan die proses deur te registreer en geskrewe kommentaar oor die voornemende aktiwiteite in te dien binne 30 dae van die kennisgewing (m.a.w. teen **20 November 2026**) aan die kontakbesonderhede bo. 'n Afskrif van die Agtergrond Inligtings Dokument is beskikbaar op CEN IEM Unit se webtuiste: www.environmentcen.co.za

Datum van kennisgewing: 20 Oktober 2026
