NOTICE OF EIA & AEL PROCESS

Activity: Notice is hereby given that **Autocast South Africa (Pty) Ltd trading as Autocast Non Ferrous** will be applying for an Environmental Authorisation in terms of the Environmental Impact Assessment (EIA) Regulations, 2014 as amended for proposed expansion activities. This application will be done in terms of Activity 34 requiring an amendment to an existing licence governing the release of emissions as listed in Government Notice Regulation 327 (Listing Notice 1) of 7 April 2017, published in terms of Section 24(5) of the National Environmental Management Act (No 107 of 1998) as amended. The proposed EIA activities require that a Basic Assessment process be undertaken and the relevant authority is the Department of Economic Development, Environmental Affairs and Tourism.

An amendment to the Atmospheric Emissions Licence (AEL) is required for air quality listed activities (Category 4, Sub-categories 4.2, 4.4, 4.10 and 4.21) in terms of the National Environmental Management: Air Quality Act (Act No. 39 of 2004). The application for amendment to the AEL will be submitted to the Nelson Mandela Bay Municipality.

The proposed expansion activities relate to changes to furnaces, increases in materials and production capacity.

Locality: Autocast Non Ferrous is located on Erven 126 and 60 New Brighton, Corner of Spondo Road and Struanway, in Struandale Industrial SP1 area, Ward 25, Nelson Mandela Bay Municipality, Eastern Cape.
